

NAPM-Tulsa News & Views

April, 2011

As I write this, the first hint of Spring is in the air. Hopefully, our long winter is nearing its end. I'd like to thank Wendy Buxton for her outstanding presentation at our March dinner meeting. In spite of some slight dinner delays, I thought our March meeting was one of the most interesting to date. I hope we will have an opportunity to hear Wendy again in the near future.

In April, we are planning a joint meeting with APICS. It's been nearly two years since we last broke bread with our brothers and sisters at APICS. It will be nice to have our two organizations together once more. Please be sure to check our website for details regarding the Unarco Plant Tour.

As we head into April and May, it becomes time to start thinking about our annual Scholarship Award, the W.L. "Bill" James Award and of course...the nominations for next year's Board of Directors, and let's not forget our May Golf Outing at the Golf Club of Oklahoma.

There is a lot of activity occurring in the next few months. I hope you will all find the time to join us at one or more of these activities.

Until then, Happy Spring!

K. Scott Mullins, C.P.M.

2010-2011 Chair

Mark down May 16th for our annual buyer-supplier golf outing at The Golf Club of Oklahoma!

Here is an opportunity to play on this beautiful private course. This is always a great event and I urge you not to miss it this year.

The entry of \$135 per golfer includes greens fees, hamburger lunch buffet, cart, awards presentation, door prize tickets (think flat screen television) and access to locker rooms and driving range.

This is a fun event and you can take it as seriously (or not) as you wish. If you can't get up a foursome, sign up anyway. We always have single players register and we then form teams.

This is NAPM-Tulsa's annual fundraiser and helps to support our ability to offer quality monthly programs for our members and \$1,500 of the proceeds from the event will go to our NAPM-Tulsa scholarship fund to help a student interested in pursuing a Supply Chain Management career.

More information and the registration form will be available on our website.

Unarco Industries - April Plant Tour

About the Company

Headquartered in Wagoner Oklahoma, Unarco is the world's largest shopping cart manufacturer, with a dominant market share in North America and an ever expanding international presence.

Founded in 1937 by one of the original self-service grocery retailers, Unarco has been a leader in the shopping cart manufacturing industry since its creation.

In 1999, Unarco became a part of the Marmon Retail Services group of companies. The Marmon Group of companies is an international association of autonomous manufacturing and service companies with collective sales in excess of \$7 billion.
